Her father's ancestors had owned a wide, rich domain on the wide, rich island of Way. Claiming no title or court privilege in the days of the kings, through all the dark years after Maharion fell they held their land and people with firm hands, putting their gains back into the land, upholding some sort of justice, and fighting off petty tyrants. That prosperity and the beauty of the meadows and upland pastures and oak-crowned hills made the domain a byword, so that people said, "as fat as a cow of Iria", or, "as lucky as an Irian". The masters and many tenants of the domain added its name to their own, calling themselves Irian. He could not make the young man let go of the dead woman. Weak and shaky as he was, he would not set his burden down on the load, but clambered into the cart holding her, and held her all the miles to Woodedge. All he said was "She saved me," and the carter asked no questions..At that the Summoner ran up towards her, reaching out, lunging at her as if to seize and hold her. They were both on the hill now.
