And now these days, we'll problem you to use studying **Available The Pounding Waves Of The Ocean EPUB** as among the stuff to perform immediately. So saying, he went away, whilst Mesrou entered and taking up Aboulhusn, shut the door after him, and followed his master, till he reached the palace, what while the night drew to an end and the cocks cried out, and set him down before the Commander of the Faithful, who laughed at him. Then he sent for Jaafer the Barmecide and when he came before him, he said to him, "Note this young man and when thou seest him to-morrow seated in my place of estate and on the throne of my Khalifate and clad in my habit, stand thou in attendance upon him and enjoin the Amirs and grandees and the people of my household and the officers of my realm to do the like and obey him in that which he shall command them; and thou, if he bespeak thee of anything, do it and hearken unto him and gainsay him not in aught in this coming day." Jaafer answered with, "Hearkening and obedience," (17) and withdrew, whilst the Khalif went in to the women of the palace, who came to him, and he said to them, "Whenas yonder sleeper awaketh to-morrow from his sleep, kiss ye the earth before him and make

obesance to him and come round about him and clothe him in the [royal] habit and do him the service of the Khalifate and deny not aught of his estate, but say to him, "Thou art the Khalif." Then he taught them what they should say to him and how they should do with him and withdrawing to a privy place, let down a curtain before himself and slept. . . . But now hath Allah from my heart blotted the love of thee, After for constancy I'd grown a name of wonderment..The Twenty-Eighth and Last Night of the Month. . . . a. The First Calender's Story xi.32. The Khalif Hisham and the Arab Youth dxxxiv.Zubeideh, El Mamoun and, i. 199.Now there was a man of the kinsfolk of the Khalif [Haroun er Reshid], by name Abdulmelik ben Salih ben Ali ben Abdallah ben el Abbas, (148) who was great of gravity and piety and decorousness, and Er Reshid was used instantly to require of him that he should keep him company in his carousals and drink with him and had proffered him, to this end, riches galore, but he still refused. It chanced that this Abdulmelik es Salih came to the door of Jaafer ben Yehya, that he might bespeak him of certain occasions of his, and the chamberlain, doubting not but he was the Abdulmelik ben Salih aforesaid, whom Jaafer had charged him admit and that he should suffer none but him to enter, allowed him to go in to his master..As the version of the sixth and seventh voyages of Sindbad the Sailor contained in (197) the Calcutta Edition (1814-18) of the first two hundred Nights and in the text of the Voyages published by M. Langles (Paris, 1814) differs very materially from that of the complete Calcutta (1839-42) Edition (198) (which is, in this case, practically identical with those of Boulac and Breslau), adopted by me as my standard text in the translation of "The Book of the Thousand Nights and One Night," the story of the seventh voyage in particular turning upon an altogether different set of incidents, related nearly as in the old version of M. Galland, I now give a translation of the text of the two voyages in question afforded by the Calcutta (1814-18) Edition, corrected and completed by collation with that of M. Langles, from which it differs only in being slightly less full. It will be observed that in this version of the story the name Sindbad is reserved for the Sailor, the porter being called Hindbad..Then he could brook this no longer; so he went forth from the dominions of the Commander of the Faithful, under pretence of visiting certain of his kinsmen, and took with him servant nor companion, neither acquainted any with his intent, but betook himself to the road and fared on into the desert and the sandwastes, knowing not whither he went. After awhile, he fell in with travellers intending for the land of Hind [and journeyed with them]. When he came thither, he lighted down [in a city of the cities of the land and took up his abode] in one of the lodging-places; and there he abode a while of days, tasting not food neither solacing himself with the delight of sleep; nor was this for lack of dirhems or dinars, but for that his mind was occupied with musing upon [the reverses of] destiny and bemoaning himself for that the revolving sphere had turned against him and the days had decreed unto him the disfavour of our lord the Imam. (160).Woman, The Thief and the, i. 278..Then Iblis took the cup and signed to Tuhfeh to sing; and she said, 'Hearkening and obedience.' So she took the lute and tuning it, sang the following verses:.23. Er Reshid and the Woman of the Barmecides ccccxiv. . . . A damsel made for love and decked with subtle grace; Thou'dst deem the very sun had borrowed from her face..150. The Rogueries of Delileh the Crafty and her Daughter Zeyneb the Trickstress dxcviii. . . .STORY OF KHELBES AND HIS WIFE AND THE LEARNED MAN..Now there was in the house a fair singing-girl and when she saw the singer pinioned and bound to the tree, she waited till the Persian lay down on his couch, when she arose and going to the singer, fell to condoling with him over what had betided him and ogling him and handling his yard and rubbing it, till it rose on end. Then said she to him, 'Do thou swive me and I will loose thy bonds, lest he return and beat thee again; for he purposeth thee evil.' Quoth he, 'Loose me and I will do.' But she said, 'I fear that, [if I loose thee], thou wilt not do. But I will do, and thou standing; and when I have done, I will loose thee.' So saying, she pulled up her clothes and sitting down on the singer's yard, fell to going and coming.. . . . My favours I deny not all the year; Though cessation be desired, I nothing heed..One day, as the prefect sat [in his house], the watchman came in to him and said, "O my lord, the Jew goeth to the house of such an one." Whereupon El Atwesh arose and went forth alone, taking with him none but myself. As he went along, he said to me, "Indeed, this [woman] is a fat piece of meat." (109) And we gave not over going till we came to the door of the house and stood there till a slave-girl came out, as if to buy them somewhat. We waited till she opened the door, whereupon, without further parley, we forced our way into the house and rushed in upon the girl, whom we found seated with the Jew in a saloon with four estrades, and cooking-pots and candles therein. When her eyes fell on the prefect, she knew him and rising to her feet, said, "Welcome and fair welcome! Great honour hath betided me by my lord's visit and indeed thou honourest my dwelling..".There was once of old time a foolish, ignorant man, who had wealth galore, and his wife was a fair woman, who loved a handsome youth. The latter used to watch for her husband's absence and come to her, and on this wise he abode a long while. One day, as the woman was private with her lover, he said to her, 'O my lady and my beloved, if thou desire me and love me, give me possession of thyself and accomplish my need in thy husband's presence; else will I never again come to thee nor draw near thee, what while I abide on life.' Now she loved him with an exceeding love and could not brook his separation an hour nor could endure to vex him; so, when she heard his words, she said to him, ['So be it,] in God's name, O my beloved and solace of mine eyes, may he not live who would vex thee!' Quoth he, 'To-day?' And she said, 'Yes, by thy life,' and appointed him of this..So the highwayman took the saddle-bags and offered to kill the traveller, who said, "What is this? Thou hast no blood-feud against me, that should make my slaughter incumbent [on thee]. Quoth the other, "Needs must I slay thee;" whereupon the traveller dismounted from his horse and grovelled on the earth, beseeching the robber and speaking him fair. The latter hearkened not to his prayers, but cast him to the ground; whereupon the traveller [raised his eyes and seeing a francolin flying over him,] said, in his agony, "O francolin, bear witness that this man slayeth me unjustly and wickedly; for indeed I have given him all that was with me and besought him to let me go, for my children's sake; yet would he not consent unto this. But be thou witness against him, for God is not unmindful of that which is done of the oppressors." The highwayman paid no heed to this speech, but smote him and cut off his head..All intercessions come and all alike do ill succeed, ii. 218..Porter, Sindbad the Sailor and Hindbad the, iii. 199. . . . x. The King and his Chamberlain's Wife dccccvii. . . . But the Merciful yet may incline thee to me And unite us again, in despite of our foes!The Twenty-Fourth Night of the Month..When El Abbas heard her verses, they pleased him and he said to her, "Well done, O Sitt el Husn! Indeed, thou hast done away trouble from my heart and [banished] the things that had occurred to my mind." Then he heaved a sigh and signing to the fifth damsel, who was from the land of the Persians and whose name was Merziyeh (now she was the fairest of them all and the sweetest of speech and she was like unto a splendid star, endowed with beauty and loveliness and brightness and perfection and justness of shape and symmetry and had a face like the new moon and eyes as they were gazelle's eyes) and said to her, "O Merziyeh, come forward and tune thy lute and sing to us on the [same] subject, for indeed we are resolved upon departure to the land of Yemen." Now this damsel had met many kings and had consorted with the great; so she tuned her

lute and sang the following verses: The Twentieth Night of the Month. When the king heard this, his mind was occupied [with the story he had heard and that which the vizier promised him], and he bade the latter depart to his own house. The Weaver who became a Physician by his Wife's Commandment dccccix.66. The Imam About Yousuf with Er Reshid and Zubeideh dclii. Beard of the old he-goat, the one-eyed, what shall be, ii. 231. STORY OF SELIM AND SELMA. Man who was lavish of House and Victual to One whom he knew not, The, i 293. Before I rent my clothes, reproach me not, I pray. My friends have not accustomed me to rigour; for, of old, When I forsook them, they to seek accord did not disdain. When in the sitting-chamber we for merry-making sate, With thine eyes' radiance the place thou didst illuminate. Make drink your usance in my company And flout the time that languishing doth go. Then the king took counsel with himself to build his son a bath and adorn it with various paintings, so he might show it to him and divert him with the sight thereof, to the intent that his body might be solaced thereby and that the obsession of travel might cease from him and he be turned from [his purpose of] removal from his parents. So he addressed himself to the building of the bath and assembling architects and builders and artisans from all the towns and citadels and islands [of his dominions], assigned them a site and marked out its boundaries. Then the workmen occupied themselves with the making of the bath and the setting out and adornment of its cabinets and roofs. They used paints and precious stones of all kinds, according to the variousness of their hues, red and green and blue and yellow and what not else of all manner colours; and each artisan wrought at his handicraft and each painter at his art, whilst the rest of the folk busied themselves with transporting thither varicoloured stones. STORY OF THE THIEF AND THE WOMAN. 58. The King's Daughter and the Ape ccclv. d. The Fourth Officer's Story dccccxxiv. She comes in a robe the colour of ultramarine, iii. 190. When the king heard his speech, he turned to him and said, "It is grievous to me, O vizier of good counsel." And he told him that the [other] sages testified [to the correctness of their fellow's interpretation of the dream]; whereupon Er Rehwan sighed and knew that the king went in fear of him; but he showed him fortitude and said to him, "God assain the king! My counsel is that the king accomplish his commandment and execute his ordinance, for that needs must death be and it is liefer to me that I die, oppressed, than that I die, an oppressor. But, if the king see fit to defer the putting of me to death till the morrow and will pass this night with me and take leave of me, when the morrow cometh, the king shall do what he will." The Khalif smiled and said to his eunuch, "O Mesroul, verily women are little of wit. I conjure thee, by Allah, say, was not Aboulhusn with me but now?" ["Yes, O Commander of the Faithful," answered Mesroul] Quoth the Lady Zubeideh, laughing from a heart full of wrath, "Wilt thou not leave thy jesting? Is it not enough that Aboulhusn is dead, but thou must kill my slave-girl also and bereave us of the two and style me little of wit?" "Indeed," answered the Khalif, "it is Nuzhet el Fuad who is dead." And Zubeideh said, "Indeed he hath not been with thee, nor hast thou seen him, and none was with me but now but Nuzhet el Fuad, and she sorrowful, weeping, with her clothes torn. I exhorted her to patience and gave her a hundred dinars and a piece of silk; and indeed I was awaiting thy coming, so I might condole with thee for thy boon-companion Aboulhusn el Khelia, and was about to send for thee." The Khalif laughed and said, "None is dead but Nuzhet el Fuad;" and she, "No, no, my lord; none is dead but Aboulhusn." As an instance of the extreme looseness with which the book was edited, I may observe that the first four Vols. were published without tables of contents, which were afterwards appended en bloc to the fifth Volume. The state of corruption and incoherence in which the printed Text was placed before the public by the two learned Editors, who were responsible for its production, is such as might well drive a translator to despair: the uncorrected errors of the press would alone fill a volume and the verse especially is so corrupt that one of the most laborious of English Arabic scholars pronounced its translation a hopeless task. I have not, however, in any single instance, allowed myself to be discouraged by the difficulties presented by the condition of the text, but have, to the best of my ability, rendered into English, without abridgment or retrenchment, the whole of the tales, prose and verse, contained in the Breslau Edition, which are not found in those of Calcutta (1839-42) and Boulac. In this somewhat ungrateful task, I have again had the cordial assistance of Captain Burton, who has (as in the case of my "Book of the Thousand Nights and One Night") been kind enough to look over the proofs of my translation and to whom I beg once more to tender my warmest thanks. a.
